

# Surya Tamang

Frontend web developer

Kapan, Kathmandu | [tmgsurya055@gmail.com](mailto:tmgsurya055@gmail.com) | 9861325664

Portfolio: [surya-tamang.com.np](http://surya-tamang.com.np)

## Professional Summary

---

I am a technology enthusiast with a passion for frontend development and innovative problem-solving. With hands-on experience in React.js and Tailwind CSS, coupled with strong communication and adaptability, I am eager to contribute to dynamic tech projects and further develop my expertise in web development and collaboration.

## Education

---

- **St Lawrence College | (2022 AD – running)**  
*Bachelor of Computer Application (BCA)*

## Relevant Experience

---

### Frontend Developer

*Personal Projects | [2023] – Present*

- Developed a personal portfolio using React.js, Tailwind CSS, and GSAP, featuring a modern, responsive design with smooth animations and interactive elements.
- Developed a responsive space tourism website using React.js and Tailwind CSS, enhancing user experience with intuitive navigation and design.
- Developed a responsive UI clone of the Target website, focusing on replicating its design and functionality.
- Developed a dynamic Movie App using React.js and Tailwind CSS, integrating REST APIs to enable real-time movie exploration, detailed information retrieval, and responsive user interface design.

## Skills

---

### Frontend Development:

- **Frontend Technologies:** HTML, CSS, JavaScript, React.js, Tailwind CSS, Redux
- **Design & Tools:** Figma, Git
- **API Integration:** Proficient in integrating REST APIs in React.js applications

### Soft Skills:

- **Communication:** Strong communication skills, with the ability to effectively collaborate with team members and convey ideas clearly.
- **Problem Solving:** Adept at identifying challenges and implementing efficient solutions.
- **Time Management:** Excellent at prioritizing tasks and meeting deadlines consistently.
- **Teamwork:** Experience working in collaborative environments, contributing to team success.
- **Attention to Detail:** Consistently ensures accuracy and thoroughness by reviewing work to maintain high standards.
- **Adaptability & Learning:** Quickly adjusts to new challenges and environments, actively seeking growth opportunities.

## Continuous learning

---

Currently focused on mastering the MERN stack, I am exploring backend development, creating RESTful APIs, and working with databases. I am always eager to learn new techniques and keep up with the latest trends.
